

ALL NIGHT PARKING REGULATED

TOWN OF LEBANON ORDINANCE #5.03.010

“From November 1st to April 1st inclusive, no person shall park any vehicle on any street, road, or public parking area in the Town of Lebanon between the hours of one a.m. and seven a.m.”

To aid in the plowing and removal of snow from the roadways, the Lebanon Town Board asks for your compliance with this ordinance by not parking your vehicle here during the above listed hours. Your vehicle hinders the work of the Township when trying to make your roads and parking areas safe and clean for use.

Questions: call Town Chairman Lohny Fredrick at 920-918-3504 or Emmet/Lebanon Police Department at 920-261-5028

THANK YOU FOR YOUR COOPERATION
